

March 18, 2020

An open letter to Delegates and Vendors,

The Canadian Telecom Summit is committed to the health, safety, and well-being of our delegates and sponsors.

We are continuing to monitor the COVID-19 situation, and at this point, The Canadian Telecom Summit is set to run as planned, on June 15-17.

We will keep you updated on plans should they change. We have contingency plans in place should things continue to escalate.

We appreciate your patience, and hope you stay safe during this time.

Sincerely,

Richard Jirka
Event Director
Macgregor Communications
